

## COMPANY PROFILE

TIANDU GENERAL TRADING LLC is a fastener supplier and manufacturer from China. Our family has been operating in the field of fasteners in China for more than 20 years, with rich sales experience and professional product knowledge. The production process of bolts and nuts is at the world's leading level, with an annual production capacity of 300,000 tons. We have a complete set of advanced production equipment and technology, and have introduced advanced testing equipment to ensure product quality. We strive to provide customers with the best service and achieve one-stop purchasing.
